THE GAZETTE MAY 21, 2010

-Montreal by Night is a new work by Zab Maboungou, a local veteran choreographer who draws on the dance heritage of her native Africa to create contemporary works with marked traditions. At a time when exotic cultures are often merely tagged on to Western works, Maboungou utilizes her sources with artistic integrity. The five dancers of her Nyata Nyata Dance Company are accompanied by three musicians. Shows tonight and tomorrow at 8 p.m. at SAT, 1195 St. Laurent Blvd. Tickets, \$23 plus tax. Call 514-844-2033 or 514-849-9781. (VS)
